

WEEK 10 NOV 12-18, 2023

Special Guest Teacher Bob Wollam

1. This past week in your devotions you read the following scriptures Matthew 6:19-24, 2 Corinthians 8, 2 Corinthians 9, 1 Timothy 6:17-19, Malachi 3:6-12, and Matthew 10:42. What scripture and devotion stood out to you? Why?
2. How do you define the word success? Do you judge success by the amount of money or possessions you have? Do you judge others by these things?
3. Read 1 Timothy 6:17-19 together as a group. What does it mean to “put your hope in wealth”? What do you put your hope in?
4. Pastor Bob said that “giving reveals what our hearts treasure the most”. Based on this, what would you say you treasure the most? Do you treasure cars, homes, clothes, self, family, vacations, others, the church, and the spreading of the Gospel?

5. Pastor Bob's last point was "God doesn't want your money, He wants your heart". What does it mean to you when you hear "God wants your heart"? How does this make you feel?

Digging Deeper

As we come to the close of the Fall 2023 Quarter for Groups I wanted to give you some time to look back and reflect on all that we covered. Over the last 10 weeks we've discussed the following themes in Scripture:

- A. We all worship something, what/who are you worshipping?
 - B. What does our physical posture look like in worship, what does it mean to bow down?
 - C. How do we revere God, how do we have a heart of reverence towards Him?
 - D. Why do we worship together corporately, why is it important?
 - E. What does it mean to bring a sacrifice of praise?
 - F. How do we worship when we serve?
 - G. What does it mean to submit to God's will?
 - H. How does obeying lead to worship?
 - I. What worship isn't?
 - J. How is giving a part of worship?
1. What are two things that have really stuck out to you over these last 10 weeks? Write some takeaways that you'd like to implement into your worship going forward.
 2. Has God convicted you or your family of anything? Are you changing anything in your life, what might that be?

3. What are some ways that your group members can be praying for you as you look to incorporate these new truths into your life?
